47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition. Please allow small companies like Sonic to continue their service. I appreciate the personal service and excellent rates they provide me with outstanding connections! I do not want a monopoly to control prices and product availability. They also provide us with competitive phone service for our home.

Thanks for keeping small companies alive with the bridge to broadband.
